

About the conference - Animal Biotechnology 2018

Dear Participants and Colleagues,

We are very pleased to welcome you on the 6th International Scientific Conference „**Animal Biotechnology 2018**“. The conference is organized by the Research Institute for Animal Production Nitra, National Agricultural and Food Centre in cooperation with the Faculty of Biotechnology and Food Science, Slovak University of Agriculture Nitra.

The aim of the conference is presentation of an actual research from the field of animal biotechnology, with a special focus on *Laboratory, farm and wild animals as a biological model*.

Moreover, the conference will provide an opportunity to gather researchers engaged in this and adjacent fields of research in order to exchange their skill and experience as well as to establish potential collaboration in a given task. We would appreciate attendance and participation on this conference of colleagues from various research institutions and universities.

We wish you cordial and warm atmosphere at our conference for presentation, creative and fruitful discussion and inspiring ideas for future research.

Nitra, May, 2018
